

DMT Pets in Care Homes – Stakeholders Event University of Lincoln

Thursday 10th June, 2pm-4pm, MS Teams.

14:00-14:05	Introductions – Nigel Horner – Associate Professor University of Lincoln
14:05 -14:30	Presentation – Michael and Mo To cover: <ul style="list-style-type: none">- About the project (why, background, brief overview of existing literature)- What we did (acknowledging impact of Covid)- What we found. Key themes for this audience would be:<ul style="list-style-type: none">a) difficulty of finding a good care home anywayb) how care homes approach the issue of companion animalsc) alternative arrangements (e.g. animals coming into visit, informal rehoming)d) importance of contact with animals
14:30-14:40	Initial Q&A – Nigel to facilitate
14:40 – 15:10	Scenarios – 3 groups. Each group to discuss: <ul style="list-style-type: none">- what the key considerations are- how their organisation might be involved in this situation (if they are part of an organisation)- possible suggestions or solutions- any gaps- impact on all individuals/parties involved
15:10-15:30	Initial feedback from the 3 groups, setting out 3-4 key points
15:30-16:00	Discussion – any points of similarity between groups/scenarios. Any disagreements? Any gaps? Anything we haven't taken on board? Conclusion and thanks
